The screenshot shows the homepage of Otsuka Shokai's website. The main navigation bar includes links for Support, Fair/Seminar, Contact, English, Site Search, and Login. A secondary navigation bar below it includes Home, Solutions/Products, Customer Page, Distribution (Ta no me-eru), and Company Information. The 'Case Studies' link is highlighted in red. The main content area features a large image of a complex piping system and the text: 'BIM promotion for equipment CAD and 3D scanner introduction' and 'BIM promotion for the project to start. Scanning from the drawing, quotation, and aiming for seamless use'. On the left, there is a sidebar with a list of industry categories: Manufacturing (99), Construction (35) (which is selected), Services (76), Wholesale, Retail, Food (59), Finance, Insurance (6), Transport, Communications (23), Real Estate (8), Government Offices, Self-governance (3), and Schools (28). At the bottom, there is a promotional banner for 'Infection prevention support for customers and employees' and a section about the company's BIM implementation.
